DEDICATION

I dedicate this book to my father

Shaikh-ul-Hadith wal Tafseer Maulana

Muhammad Musa Albazi

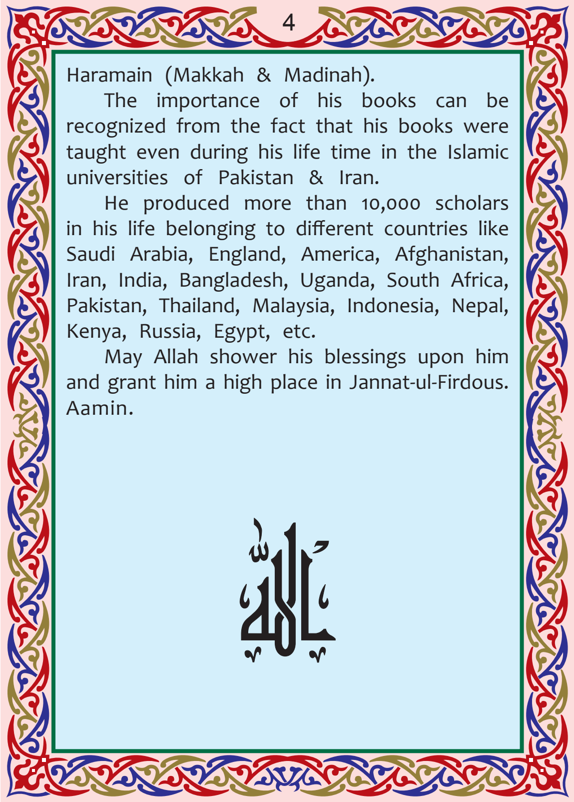

(Rahimahullah-o-ta'ala)

He died on the 19th of October 1998. After he was buried in Mayani Grave yard Lahore, Pakistan, a perfumed smell started from his grave and spread out all over the graveyard as well as in the area nearby. This perfumed smell continued for about eight months. Thousands & thousands of people came to witness his grave and to smell the fragrance of paradise. Scholars says, according to the Islamic History, Maulana Muhammad Moosa Albazi is the third person in the history of Islam from whose grave the fragrance of paradise came.

Shaikh Muhammad Moosa Albazi spent all of his life in teaching Hadith, Tafseer, Fiqh & in producing Islamic scholars (Ulama). He wrote more than two hundred valuable Islamic books, most of them are in Arabic , some are in Persian & Urdu.

All of the prominent Islamic Scholars of this century confessed that each book written by him appears to be an art piece of Islamic knowledge & Arabic literature. Whenever his books were presented to Arab scholars, they asked " Is the author of these books alive ? Really he is the scholar of this century ? They said that from his research work & astonishing skill in Arabic literature, he appears to be a unique Islamic scholar of several hundred years ago.

The famous scholar & Imam of Masjid-ul-Haraam (Makkah) Shaikh Muhammad Bin Abdullah As-Subayyel once said while addressing a meeting of Islamic scholars "As you know the Islamic Scholars from all over the world come to visit me, but in my whole life I have not seen & met any Islamic scholar greater in knowledge than Shaikh Muhammad Musa Albazi". Shaikh Muhammad Bin Abdullah As-Subayyel is now the minister of matters concerning Masjid-ul-

Haramain (Makkah & Madinah).

The importance of his books can be recognized from the fact that his books were taught even during his life time in the Islamic universities of Pakistan & Iran.

He produced more than 10,000 scholars in his life belonging to different countries like Saudi Arabia, England, America, Afghanistan, Iran, India, Bangladesh, Uganda, South Africa, Pakistan, Thailand, Malaysia, Indonesia, Nepal, Kenya, Russia, Egypt, etc.

May Allah shower his blessings upon him and grant him a high place in Jannat-ul-Firdous. Aamin.

The people of ages had long lives. Each one of them use to stay alive for hundreds of years. Believers used to get a lot of blessings by doing innumerable good actions in their long lives.

Compared to them the ummah of the last messenger Muhammad peace be upon him has short lives. But it is the most dearest ummah to Allah, that's why He has bestowed upon them some special attributive actions, even though they are very small in practice but great in reward. And that is due to Allah's limitless mercy.

وَرَحْمَتِي وَسِعَتْ كُلَّ شَيْءٍ

"My mercy extendeth to all things"
(Al-Quran 7, 156)

It is necessary for every Muslim to consider even a small good deed precious because it might become a source of forgiveness in the sight of Allah. We should consider even minor sins dangerous because they may take us to Hell. So

we should try to avoid it.

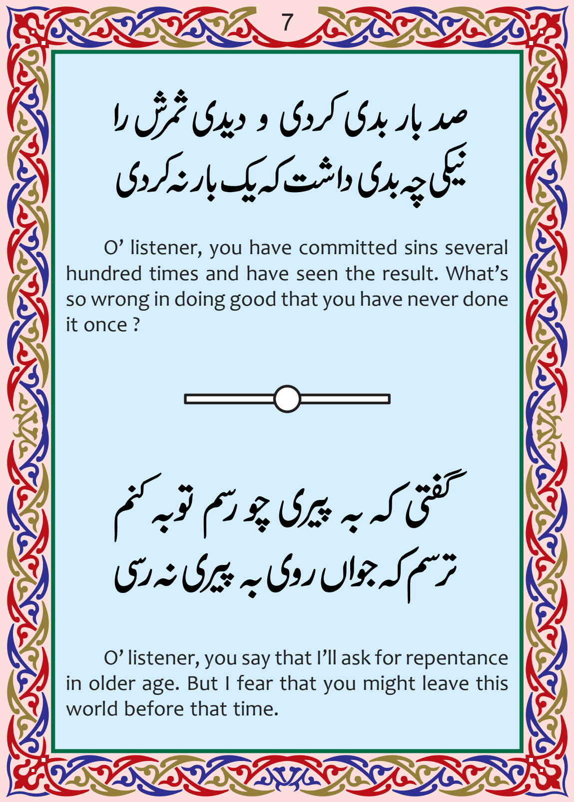

Imam Baqar (RA) gave some very precious advice to his son named Jaffer Sadiq (RA). He said, “My son, Almighty Allah has hidden three things in three different things. He has hidden His pleasure in good deeds, His anger in sin and His friends in general people. So never consider any good deed smaller in value. May be His pleasure is hidden in it. Never commit any sin by considering it minor. May be His anger is hidden in it, and never consider any human being despicable, who knows he might be the Allah’s beloved & chosen one.

It is narrated in a hadith that a sinful person was forgiven just because he had quenched the thirst of a dog.

In another hadith, a bad person was granted Jannah because he removed only a branch full of thorns from a side walk. And a woman was thrown in the Hell because she had tied up a cat and later it died from hunger and thirst.

May Allah accept this book and make it sadaqah jariah for me in this world & the world hereafter. Aamin.

صد بار بدی کردی و دیدی ثمرش را
نیکی چہ بدی داشت کہ یک بار نہ کردی

O’ listener, you have committed sins several hundred times and have seen the result. What’s so wrong in doing good that you have never done it once ?

گفتی کہ بہ پیری چو رسم توبہ کنم
ترسم کہ جواں روی بہ پیری نہ رسی

O’ listener, you say that I’ll ask for repentance in older age. But I fear that you might leave this world before that time.

Pleasure of Allah

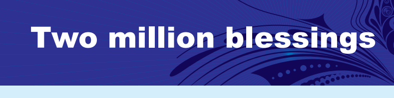

رَضِيتُ بِاللهِ رَبًّا وَّبِالْإِسْلَامِ

دِينًا وَّبِمُحَمَّدٍ نَّبِيًّا (ﷺ)

Rasulullah Sallallahu Alaihi WaSallam said, whosoever reads this Dua (invocation) in morning and evening, it will be due on Allah SWT to please him on the Day of Judgement and send him to Jannah (Paradise).

It is narrated in Tabrani, that Rasulullah said, "One who recites this dua, I guarantee that I'll hold the hand of this person and will take him into paradise".

(Abu-Dawood, Tirmidhi, Nasa'i
& Ibn Majah by Saubaan RTA)

Two million blessings

لَا إِلٰهَ إِلَّا اللّٰهُ وَحْدَهٗ لَا شَرِيْكَ
لَهٗ أَحَدًا صَمَدًا لَمْ يَلِدْ وَلَمْ يُوْلَدْ
وَلَمْ يَكُنْ لَّهٗ كُفُوًا أَحَدٌ

Prophet Sallallahu Alaihi Wasallam said, “Whosoever recites these wordings, Almighty Allah adds two million blessings to his account ”.

During the month of Ramazan each good action is increased 70 times. Thus if these lines are recited once, the reward of 140 million blessings will be written. The more is recited the more blessings will be written.

(Al-Targheeb wal Tarheeb)

Blessings of 80 years worship

It is narrated in a hadith that a person who recites this darood (salat on prophet) 80 times on Friday after Asr prayer without leaving the prayer area, Almighty Allah forgive his 80 years (minor) sins and add 80 years blessings to his account.

In the holy month of Ramzan the blessings increase by 70 times, & if a person reads this darood 80 times, five hundered years blessings would be added to his account and the same number of sins will be forgiven.

جَزَى اللهُ عَنَّا مُحَمَّدًا مَا هُوَ أَهْلُهُ

In Ramzan the blessings increase by seventy times so if a person reads it once in the holy month of Ramazan, 70 angels will add blessings in his account for seventy thousand days i.e. 192 years. And if it is read 100 times in Ramazan then so much blessings will be given that 70 angels could not complete to write this much blessings in seven million days (i.e. 19178 years).

So every Muslim should recite this Dua regularly.

(Narrated by Tabrani in Al-Kabeer & Al-Aust)

According to the Scholars of Islam, 2 rakaat sunnah of Maghrib prayer is also included in those six Nawafil. If this prayer is offered continuously for one year, the worship of 29160 years will be written for that person including the 70 times increased blessings on every action in Ramadhan.

(Tirmidhi)

The blessing of fast on the day of Arafah (Hajj)

Sahl bin Saeed RTA narrates from Prophet Sallallahu Alaihi Wasallam, that by fasting on the day of Arafat (9th Zilhijjah), Almighty Allah forgives a person's two years sins (one for present and one for future year).

In another version it is stated that 20 years blessing is written on every step who walks for Jumah prayer.

It means in Ramadhan, on every step, blessings of 1400 years are given to that person.

(Ahmad, Abu-Dawood & Tirmidhi)

Special darood (salat) to see Prophet (SAW) in dream

Famous scholar Shaikh Abdul Haque (Muhaddis Dahlawi) has written in his book "Targheeb Ahl-Sa'adaat", that a person who offers two rakaat Nafl on Friday night and reads in every rakaat, after Sura Al-fatihah, 11 times Ayat-ul-Kursi and 11 times Sura Al-Ikhlas. And then after making Salaam reads 100 times this certain Darood (salat on Prophet) mentioned below. Inshallah less than three Fridays, he will see Prophet SAW in his dream

اَللّٰهُمَّ صَلِّ عَلٰى مُحَمَّدِنِ النَّبِيِّ
الْاُمِّيِّ وَآلِهٖ وَاَصْحَابِهٖ وَسَلِّمْ

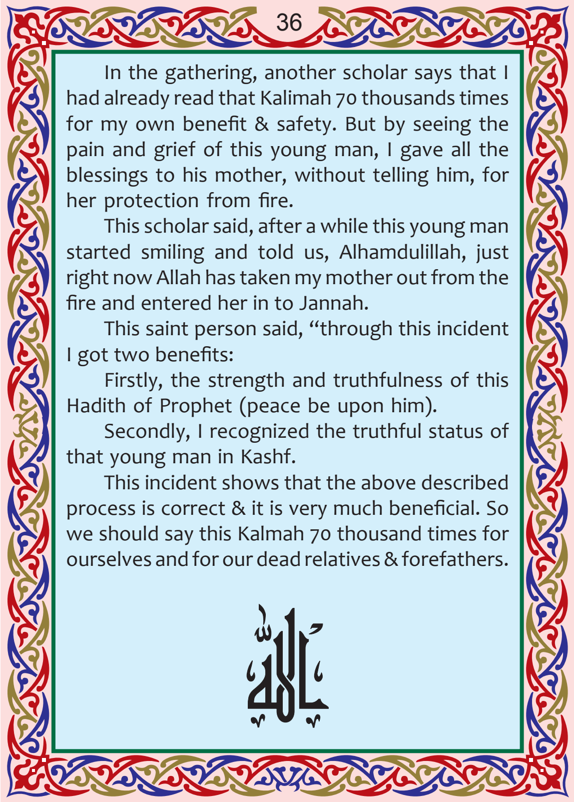

A great dua

It is written in the books of Tasawwuf & Akhlaq, the person who reads

70 thousands times, sets himself free from the Hell. It is also explained in the hadith that the Prophet Sallallahu Alaihi Wasallam said, “The person who read “LA-ILAHA-ILLAL-LAH” seventy thousand times, has set himself free from the punishment of Allah.

Scholars and Awliya-ullah follow this wazifa for themselves, their relatives and friends. It is written in the book “Majalis Sunniyyah”, that a young pious man was very famous for Kashf (i.e. to see invisible world). One day he cried a lot and lost conscious in a gathering of scholars and Awliya-ullah. When the reason was asked, he told them, I have seen through Kashf that my mother has died & she is in Hell fire.

In the gathering, another scholar says that I had already read that Kalimah 70 thousands times for my own benefit & safety. But by seeing the pain and grief of this young man, I gave all the blessings to his mother, without telling him, for her protection from fire.

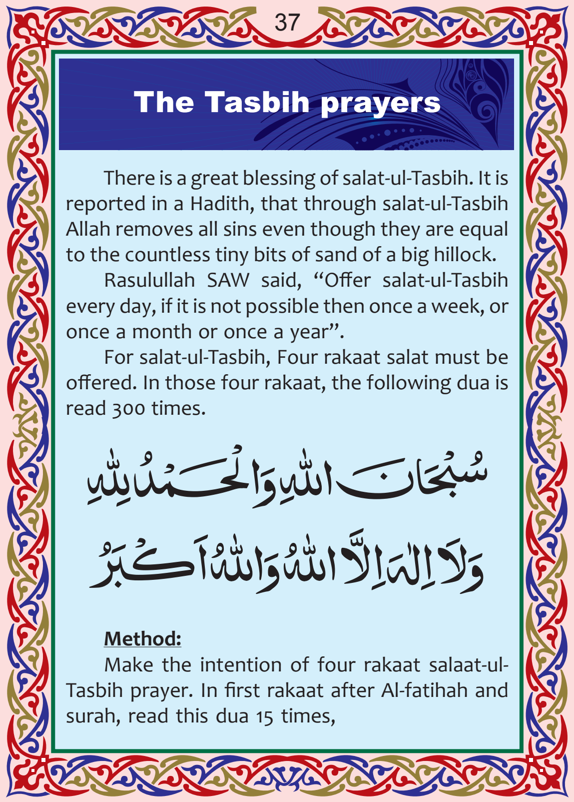

This scholar said, after a while this young man started smiling and told us, Alhamdulillah, just right now Allah has taken my mother out from the fire and entered her in to Jannah.

This saint person said, “through this incident I got two benefits:

Firstly, the strength and truthfulness of this Hadith of Prophet (peace be upon him).

Secondly, I recognized the truthful status of that young man in Kashf.

This incident shows that the above described process is correct & it is very much beneficial. So we should say this Kalmah 70 thousand times for ourselves and for our dead relatives & forefathers.

The Tasbih prayers

There is a great blessing of salat-ul-Tasbih. It is reported in a Hadith, that through salat-ul-Tasbih Allah removes all sins even though they are equal to the countless tiny bits of sand of a big hillock.

Rasulullah SAW said, "Offer salat-ul-Tasbih every day, if it is not possible then once a week, or once a month or once a year".

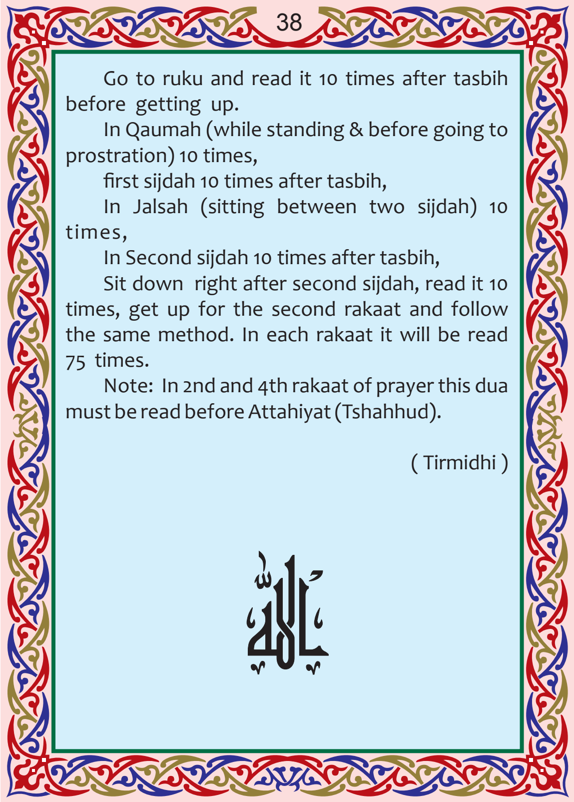

For salat-ul-Tasbih, Four rakaat salat must be offered. In those four rakaat, the following dua is read 300 times.

سُبْحَانَ اللّٰهِ وَالْحَمْدُ لِلّٰهِ

وَلَا اِلٰهَ اِلَّا اللّٰهُ وَاللّٰهُ اَكْبَرُ

Method:

Make the intention of four rakaat salaat-ul-Tasbih prayer. In first rakaat after Al-fatihah and surah, read this dua 15 times,

Go to ruku and read it 10 times after tasbih before getting up.

In Qaumah (while standing & before going to prostration) 10 times,

first sijdah 10 times after tasbih,

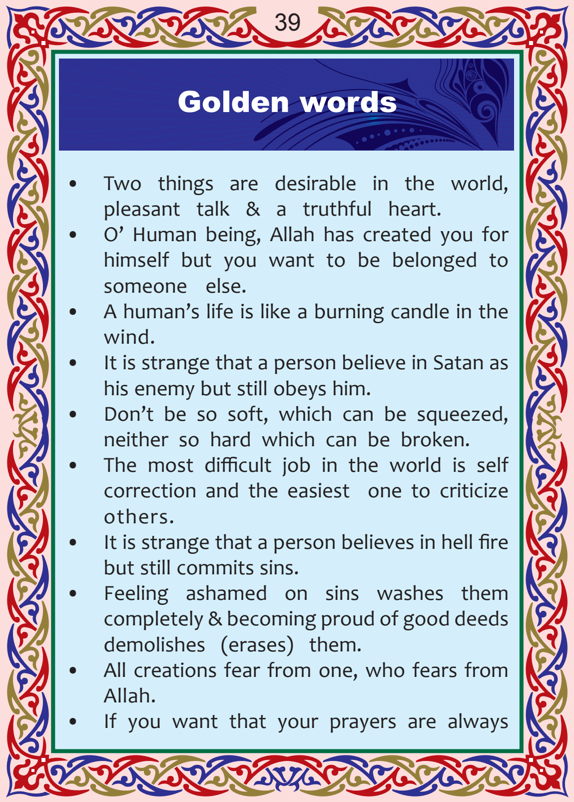

In Jalsah (sitting between two sijdah) 10 times,

In Second sijdah 10 times after tasbih,

Sit down right after second sijdah, read it 10 times, get up for the second rakaat and follow the same method. In each rakaat it will be read 75 times.

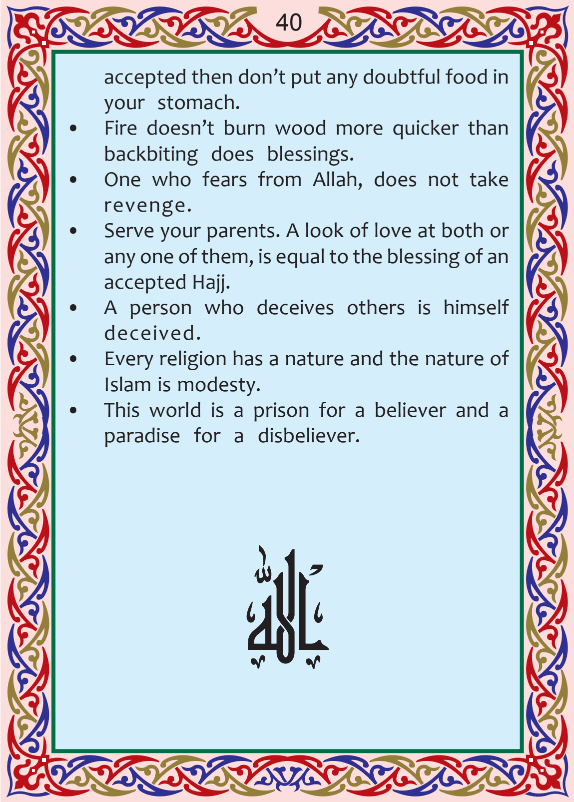

Note: In 2nd and 4th rakaat of prayer this dua must be read before Attahiyat (Tshahhud).

(Tirmidhi)

accepted then don't put any doubtful food in your stomach.

Daily dua of a Muslim (invocation)

Ya Allah, Accept all of us in your path, make us true and pure practicing Muslims and believers.

Ya Allah, forgive all of our major & minor sins.

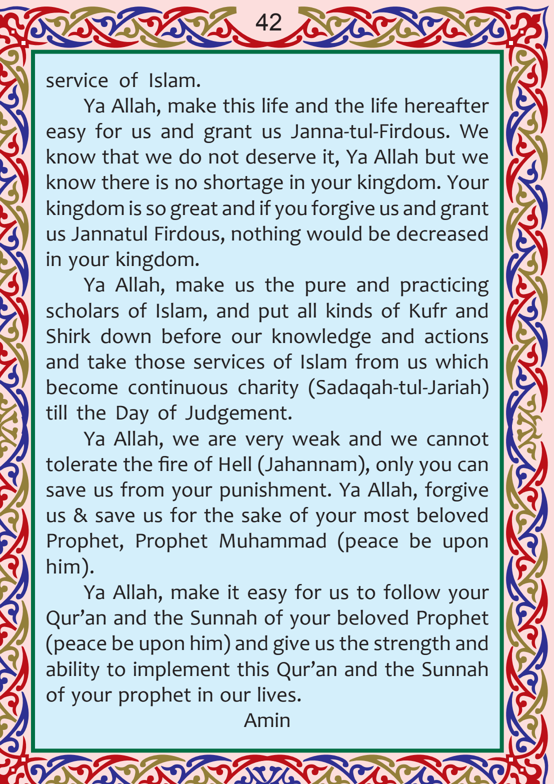

There is no other door except yours. Only you can straighten our directions & only you can show the right guidance to all mankind. There is nothing impossible for you. Certainly you can give guidance to all mankind in a blink of an eye. Nothing is beyond your power. We beg you to keep all of us on the right path and make us the means of guidance to all mankind.

Ya Allah, In this short life, give us the ability to do those works & provide those services which we should do & keep us away from those which are not good, neither permissible for us.

Ya Allah, we don't know how to beg you, grant us your special mercy and everything which is good & beneficial for us without begging.

Ya Allah, grant us the love and strength of Iman. Save us from all ignorants.

Ya Allah, make us among your true obedient and thankful slaves. Accept our lives for the

service of Islam.

Ya Allah, make this life and the life hereafter easy for us and grant us Janna-tul-Firdous. We know that we do not deserve it, Ya Allah but we know there is no shortage in your kingdom. Your kingdom is so great and if you forgive us and grant us Jannatul Firdous, nothing would be decreased in your kingdom.

Ya Allah, make us the pure and practicing scholars of Islam, and put all kinds of Kufr and Shirk down before our knowledge and actions and take those services of Islam from us which become continuous charity (Sadaqah-tul-Jariah) till the Day of Judgement.

Ya Allah, we are very weak and we cannot tolerate the fire of Hell (Jahannam), only you can save us from your punishment. Ya Allah, forgive us & save us for the sake of your most beloved Prophet, Prophet Muhammad (peace be upon him).

Ya Allah, make it easy for us to follow your Qur'an and the Sunnah of your beloved Prophet (peace be upon him) and give us the strength and ability to implement this Qur'an and the Sunnah of your prophet in our lives.

Amin

اِلٰهِیْ لَسْتُ لِلْفِرْدَوْسِ اَهْلًا

وَلَا اَقْوٰی عَلٰی نَارِ الْجَحِیْمِ

فَهَبْ لِیْ تَوْبَةً وَّاغْفِرْ ذُنُوْبِیْ

فَاِنَّكَ غَافِرُ الذَّنْبِ الْعَظِیْمِ

O Allah, I am not worthy of Paradise Al-Firdaus, nor can I bear the fire of Hell, so give me the ability to repent and forgive my sins, because You are the Forgiver of the greatest of sins.

حیرت انگیز تاثیر کی حامل درود شریف کی عجیب و غریب کتاب جو عوام و خواص میں بے انتہاء مقبول ہے۔ اس کتاب میں حضرت شیخ رحمہ اللہ تعالی نے رسول اللہ ﷺ کے آٹھ سو ۸۰۰ سے زائد اسماء کو احادیث کی مستند کتب سے انتہائی تحقیق کے بعد درود شریف کی شکل میں یکجا کیا ہے۔

کتاب کی ابتداء میں درود شریف کے فضائل اور کتاب پڑھنے کا طریقہ تفصیلاً درج ہے۔

حضرت محدث اعظمؒ خود فرمایا کرتے تھے کہ مجھے بیشمار لوگوں نے بتلایا ہے کہ اس کتاب کے گھر میں پہنچتے ہی انہوں نے قلیل مدت میں اس کتاب کے عجیب و واضح فوائد محسوس کیے اور ان کی تمام مشکلات حل ہوئیں۔ وفات کے بعد ان کے ایک شاگرد نے خواب میں دیکھا کہ روضۂ رسول ﷺ کی جالی کا دروازہ کھلا اور اندر سے حضرت شیخ رحمہ اللہ تعالی انتہائی خوشی کی حالت میں مسکراتے ہوئے باہر تشریف لائے۔ شاگرد نے آگے بڑھ کر سلام کیا اور عرض کیا کہ استاذی آپ کی قبر مبارک سے جنت کی خوشبو آرہی ہے اس کی کیا وجہ ہے؟ تو حضرت محدث اعظم رحمہ اللہ تعالی نے مسکراتے ہوئے جواب دیا کہ کیا آپ کو معلوم نہیں کہ میری کتاب "برکاتِ مکیہ" کو بارگاہ نبوی ﷺ میں شرفِ قبولیت حاصل ہوا ہے اسی لئے میری قبر سے جنتی خوشبو آرہی ہے۔
